DEPARTMENT OF MECHANICAL ENGINEERING

NEWS LETTER: 2022-23(JANUARY – DECEMBER)

Vision

The department of mechanical engineering shall stand out as a benchmark for quality education by imparting technical and entrepreneurial skills to the students, to cater the ever-changing demands of the industry and societal needs.

Mission

To train the students of department of mechanical engineering to take up the challenges of emerging trends by empowering them with technical knowledge and entrepreneurial spirit

Message from Chairman

At VPP our quest for excellence continues through various initiatives that will help our students place themselves on a career path, that does justice to their capacities and motivation. I look forward for your suggestions and ideas for raising the bar.

-Shri. U.N.Kalkundrikar

Message from Principal

To impart quality education and bridge the industry-institution gap, VPP has established a Centre of Excellence which runs programmes to cater the needs of the students. Memorandum of understanding with the industries is established which helps the students in persuading internship programmes.

To help students get admitted in reputed Engineering colleges, VPP conducts NATA and DCET classes for the students of final year. Your suggestions are most welcome.

-Ms. Shridevi S. Malaj
